

No More Tears

© Music & Lyrics Rogier Avis

there seems nothing left to do
about the two of us
All that is left now
Ain't no pretty sight

.....no more tears 4 u
I've got no more tears 4 u
no more tears 4 us
I've got no more tears no more

you've gone too far now
you're really out of bounds
you fooled me, too many a time
there is nothing left for us

can we shape our destiny
you were always part of mine
now that we've got nothing to show
it might just be a blow

and now that it's over, there is no knowing why
you once fell for me, what the hell are you doing
don't ever come back, don't ever show up
cause I'm through with you, get out of my life
